Dear Sir:

The above-identified application was filed as a small entity on September 19, 2006. The filing fee paid was \$600.00 (the 2006 rate of \$450.00 in filing fees for a small entity national stage application plus \$150.00 in fees for 6 extra claims). The Declaration was submitted with the application on September 19, 2006, and there have been no amendments filed in this application since its initial filing. On June 26, 2008, a Notification of Missing Requirements was issued even though we had already filed the Declaration with the application on September 19, 2006. A copy of our July 9, 2008 response to the Notification of Missing Requirements with the electronic acknowledgment is attached, as is a copy of the September 19, 2006 Fee Transmittal.

On July 10, 2008, the Patent Office credited a total of \$450.00 to our Deposit Account 18-0160, Order no. WLL-16859 and debited our Deposit Account for fees

totaling \$1,060.00 for a large entity national stage application (at 2008 rates), including a fee of \$130.00 for late filing of a Declaration.

Therefore, as this application was filed as a small entity, and, as the Declaration was filed on September 19, 2006 with the submission of the application, and as no fees should have been credited or debited to this matter after the initial filing, applicants respectfully request that a refund of \$610.00 (the \$1,060.00 debits minus the \$450.00 credits from July 10, 2008) be issued to our Deposit Account No. 18-0160, Order No. WLL-16859.

Also, in light of the above, applicants also respectfully request that a corrected Notice of Acceptance be issued indicating that all the requirements were received in the Patent Office as of September 19, 2006. A copy of the Notice of Acceptance with handwritten corrections is also attached.

If there are any questions in this matter, please contact me at 216-566-9700.

Respectfully submitted,

RANKIN, HILL & CLARK LLP
